

Argyle Community Enhancement

Your local business and community organization team

Become a member of our growing team of Argyle area businesses and community organizations. We are committed to improving the Argyle business environment by making our town a destination. Through the publication and regular updating of a calendar of local events, a master list of businesses and organizations, and a photographic guide to pleasant and interesting destinations, we intend to attract more visitors to our town. Visit our web site at www.argyle-business.org.

We can succeed only with YOUR help. We need your ideas and suggestions, we need your occasional time and effort to complete projects and staff local events, and we need your membership fee to support our modest organizational expenses. Please join us now by printing and filling in this form and mailing it with your check or money order. Please list the name of your designated representative, who will be able to vote at ACET meetings (one vote per member organization).

Please enroll me as a member of the Argyle Community Enhancement Team.

Mail completed form and payment to: Karen Christensen, c/o Mack Brook Farm
312 McEachron Hill Road
Argyle, NY 12809

Type of membership: Full member (\$25/year) Associate member (\$15/year)
